The following clarifications are for the above bid number and title:

1. The RFP calls for us to print out sample forms using your data. I've downloaded the data files from the site provided, however, I wanted to inquire about sample forms (blank forms) for us to map your data to.

Response: Below is the link to the Department of Revenue and the page where all the forms can be found. Once on this page you should choose the option Property Appraiser Forms or Tangible Personal Property and under those tabs, you will be able to scroll through and choose the Document Numbers that correspond to the ones in the RFP:
