Should the Contractor be delayed in the prosecution of or completion of the work as a result of unforeseeable causes beyond the control of the Contractor, and not due to his fault or neglect, including but not restricted to acts of God or the public enemy, acts of government, fires, floods, discovery of pre-existing hazardous materials, utility conflicts, epidemics, quarantine regulations, strikes or lockouts, the Contractor shall notify Sign Supervisor in writing within two (2) regular work days after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which the Contractor may have had to request a time extension.

If the Contractor complies with the two (2) regular work days' notice requirement, the Sign Supervisor or designee shall ascertain the facts and the extent of the delay being claimed. The Sign Supervisor or designee's findings of fact justify such an extension, and the Sign Supervisor or designee's finding of fact shall be final and conclusive on the parties. The Contractor shall cooperate with the Sign Supervisor or designee's investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the work time may

be granted for only those delays that impact the Contractor's Construction Schedule. Extensions of time must be authorized and approved in advance.

If the Contractor fails to have the work completed by the specified time the County may at its discretion hire another company to complete the work as needed. Any additional cost incurred by the County because of the Contractor's failure to complete the work as assigned shall be deducted from the Contractor's invoice.

2) SAFETY

A County representative may periodically monitor work site for safety. Should there be safety and/or health violations, the County's representative may have the authority, but not the duty, to require the Contractor to correct the violation in an expeditious manner. If there is any situation that is deemed unsafe by the Sign Supervisor, the project will be shut down immediately upon notice and will not resume work until the unsafe condition has been remedied.

The Contractor shall be aware that while working for the County, representatives from agencies such as the United States Department of Labor, Occupational Safety and Health Administration (OSHA), and the State of Florida Department of Transportation, are invitees and need not have warrants or permission to enter the work site.

This person shall be the Contractor's superintendent unless otherwise designated in writing by the Contractor to the County. All communications to the superintendent shall be as binding as if given to the Contractor.

Any spillage of hazardous chemicals and/or wastes must be reported immediately to the County and cleaned up in accordance with all State and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals caused by the Contractor shall be the sole responsibility of the Contractor and the County shall share no responsibility with these costs. A copy of a complete report showing compliance with local, state, and federal agencies shall be given to the County.

If any hazardous chemicals or conditions are discovered during the normal road striping operation, it is the responsibility of the Contractor to immediately contact the County with a description and the location of the condition.

4) MAINTENANCE OF TRAFFIC (MOT)

Maintenance of traffic shall be the sole responsibility of the Contractor, be part of the bid price, and shall conform to Florida Department of Transportation's latest editions now in force or hereafter adopted on the following: "Design Standards", "Standard Specifications for Road and Bridge Construction" and the Federal Highway Administration (FHWA) "Manual on Uniform Traffic Control Devices" (MUTCD) for Streets and Highways."

All costs associated with MOT must be included with the Unit Price. If the Contractor does not comply with the Florida Department of Transportation manuals and publications and the Federal Highway Administration's Manual of Uniform Traffic Control Devices standards (i.e. signs, qualified flaggers and/or barricades), the County reserves the right to direct the contractor to cease operation until deficiencies are corrected. In addition, no road closures shall be allowed except in the case of emergencies. All lane closures shall have the prior approval of the Sign Supervisor.

The foregoing requirements are to be considered as minimum and the Contractors compliance shall in no way relieve the Contractor of final responsibility for providing adequate traffic control devices for the protection of the public and Contractor's employees throughout the work area.

5) EXAMINATION OF THE WORK

If the bid documents, laws, ordinances, rules, regulations or orders of any public authority having jurisdiction require any work to specifically be inspected, tested or approved by someone other than the Contractor, the Contractor will give the Striping Coordinator timely notice of readiness. The Contractor will furnish the Sign Supervisor the required certificates of inspection, testing or approval. All such tests will be in accordance with the methods prescribed by the American Society for Testing and Materials or such other applicable organization as may be required by law or the agreement documents. If any such work required so to be inspected, tested or approved is covered without written approval of the Sign Supervisor, it must, if requested by the Sign Supervisor, be uncovered for observation at the Contractor's expense. The cost of all such inspections, tests and approvals shall be borne by the Contractor unless otherwise provided.

6) PROTECTION OF WORK AND PROPERTY

The Contractor shall be responsible for the preservation of all trees along and adjacent to the work and shall use every precaution necessary to prevent damage or injury thereto. The Contractor shall not willfully or maliciously injure or destroy trees or shrubs, and the Contractor shall not remove or cut them without proper authorization from the County. Any limbs or branches of trees broken during such operations shall be trimmed with a clean cut and painted with an approved tree-healing compound. The Contractor will be liable for all damages or at the option of the County may be required to replace or restore at their own expense.

The Contractor shall provide suitable means of protection for all materials intended to

be used in the work and for all work in progress, as well as for completed work.

The Contractor shall furnish all the necessary equipment and materials. The entire cost of said work shall be considered as having been included in the unit prices submitted for the several items of the work to be done under this agreement.

Any paint or other striping materials that damages any vehicle shall be the sole responsibility of the Contractor to correct to the County's satisfaction at the Contractor's expense.

7) DEFECTIVE WORK OR MATERIALS

If at any time any materials or workmanship should be discovered which do not comply with the plans, specifications and drawings, such defective work and/or material shall immediately be removed or corrected by the Contractor when notified to do so by the County, and such defects shall be replaced or corrected at the Contractor's expense. Any work or materials condemned by the County as unsuitable or improperly done shall be removed and repaired or otherwise remedied, as the County may require.

If the Contractor shall neglect or refuse to remove or replace defective work or materials within seven (7) days from the date of the notice from the County to do so, then the County may remove or cause the same to be removed and satisfactorily replaced by Contractor or otherwise, as they may deem expedient, and they may and are empowered, to charge the expense thereof to the Contractor. The expense so charged will be deducted and paid by the County out of such monies as are or may become due under this bid, or if such monies are not sufficient to meet said expense, the additional monies shall be furnished by the Contractor.

The County shall have the right to suspend the whole or any part of the work, when, in the opinion of the County, the Contractor is not doing the work in accordance with the provisions of the bid specifications.

8) TIME FOR COMPLETION

Upon notice to proceed the Contractor shall have forty-five days (45) days to complete any striping project. Work on this agreement shall be commenced on a date specified in a verbal or written order of the County. The work shall be carried on with such force and in such manner and order and at such points that within the time limit designated in the agreement, or as may be modified or extended as hereinafter provided, and as computed from the date stated in the notice to commence work, the whole work and its parts shall be performed in accordance with the terms of this bid.

9) WORK HOURS

10) SUBMITTALS

All Contractor submittals (including Pay Requests and Requests for information) shall be sent to the Sign Supervisor for review.

11) WATER AND POWER

The cost of all water for the work as well as the expense of having the water conveyed to and about the work, must be borne by the Contractor. The cost of this work shall be considered as having been included in the unit prices stipulated for the several items of work to be done under this agreement.

Unless otherwise specifically permitted by the Sign Supervisor, all water used for construction purposes shall be obtained from the public water supply main.

The Contractor shall make their own arrangements for electric light and power as may be required for their work.

14) FAILURE TO CLEAN UP

Upon failure of the Contractor to keep the sites of their operations clean to the satisfaction of the County, the County may upon twenty-four (24) hours' notice to the Contractor, remove any rubbish, materials, earth, etc., which the County may deem necessary, charging the cost thereof to the Contractor and may deduct the amount from any money that may be due the Contractor.

15) RESTORATION OF SURFACE

The Contractor shall replace all surface material and shall restore paving (unless otherwise stipulated), curbing, sidewalks, gutters, shrubbery, fences, walls, mailboxes, irrigation piping and sprinkler heads, sod and other surfaces damaged to a condition equal to that before the work began, furnishing all labor and materials incidental thereto.

16) FDOT PREQUALIFICATIONS

17) WARRANTY

The Contractor shall provide a warranty for all workmanship and materials for a period of two (2) year. Warranty will begin from the date of final acceptance.

18) CERTIFYING AND REQUESTING PAYMENT

All partial estimates and payments found to be in error shall be subject to correction in the estimates and payments subsequent thereto, and in the final estimate and payment. Payments will be made in accordance with the Florida Local Government Prompt Payment Act.

The amount of such payments shall be the total value of the Project work completed to the date of the estimate, based on the quantities and the Contract unit and/or lump sum prices, less an amount retained and less payments previously made. CONFLICT OF INTEREST DISCLOSURE FORM

Project (RFQ, RFP, BID) Number/Description: BID NO. 21/22-64, DERELICT VESSELS REMOVAL

The term “conflict of interest” refers to situations in which financial or other considerations may adversely affect, or have the appearance of adversely affecting a consultant’s/contractor’s professional judgment in completing work for the benefit of Clay County (“County”). The bias such conflicts could conceivably impart may inappropriately affect the goals, processes, methods of analysis or outcomes desired by the County.

Consultants/Contractors are expected to safeguard their ability to make objective, fair, and impartial decisions when performing work for the benefit of the County. Consultants/Contractors, therefore must there avoid situations in which financial or other considerations may adversely affect, or have the appearance of adversely affecting the consultant’s/contractor’s professional judgement when completing work for the benefit of the County.

The mere appearance of a conflict may be as serious and potentially damaging as an actual distortion of goals, processes, methods of analysis or outcomes. Reports of conflicts based upon appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light.

Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts. CHAPTER 8: PROCEDURES FOR FORMAL COMPETITIVE BID PROCESS

A. Purpose of Request for Bids Process and Alternative Processes.

1. Purpose. The purpose of this chapter is to specify procedures for the submittal, receipt, opening, and recording of all responses to all formal Request for Bids required by all of the various laws, ordinances, and other procedures and manuals governing the request for and awarding of public Bids in Clay County, Florida, including but not limited to:
 - a. Section 336.44, Florida Statutes.
 - b. Section 287.055, Florida Statutes.
 - c. Section 255.20, Florida Statutes.
 - d. Applicable provisions of Clay County Code.
 - e. Florida Department of Transportation Standard Specifications, most recent edition.
2. Alternative Formal Competitive Processes. Although the use of a formal competitive Request for Bids process is the preferred process, another process should be used when it is difficult or inappropriate to define the scope of the work required, when the service or purpose of the acquisition may be satisfied in several different ways, when the qualifications and quality of service are considered primary factors instead of price, or when responses contain varying levels of service which may require subsequent negotiation to prescribe the required specificity. Many times the potential need for presentations, discussions or negotiations and use of evaluation factors in addition to price must be considered to determine what is in the Best Interest of the County. In such circumstances, the County Manager shall determine if the use of a competitive process other than the formal Request for Bids process, such as a Request for Proposal (RFP), Request for Qualification (RFQ), Invitation to Negotiate (ITN), Best Final Offer, or Design-Build, is advantageous to the County and if so, direct the Purchasing Department to utilize such process.

If an alternative process is chosen, the alternative process shall utilize and be subject to the same procedures and rules, with any necessary modifications, as outlined in this Chapter 8 for a Request for Bids.

B. Request for Bids.

1. With the written approval of the County Manager, the Purchasing Department may advertise for Bid all items included in or provided for in the current fiscal year Budget. Items not included in the current fiscal year Budget must come before the Finance and Audit Committee for a recommendation to the Board for consideration prior to any advertising for Bids.
2. The County Manager shall, in cooperation with Department Heads, submit to the Purchasing

Department a Request for Bids form signed by the Department Head that includes a scope of work. Upon receipt, the Purchasing Department shall assemble the request package and assign a specific and discrete number and title to each Request for Bids, which shall be contained in the Request for Bids, the newspaper publication, the specifications, and any Bid form. The Purchasing Department will post the Request for Bids in a newspaper publication and on the County's website and may forward it to any requesting Vendors by U.S. Mail or e-mail.

3. Published Notice. Notice of each Request for Bids shall be posted in a newspaper of general circulation within the County for at least ten (10) days prior to the Bid Opening date excluding Sundays and holidays.

The Published Notice, as well as the Request for Bids, shall include conspicuously the following statements:

FOLLOWING THE BID OPENING AND TABULATION, A "NOTICE OF INTENT TO AWARD BID" OR A "NOTICE OF REJECTION OF ALL BIDS" WILL BE POSTED ON THE INTERNET AT: [insert bid notice web address]. THIS WEBPAGE CAN ALSO BE ACCESSED FROM THE HOMEPAGE OF THE COUNTY'S WEBSITE AT: [insert County's homepage address] BY [insert suitable directions]. NO OTHER NOTICE WILL BE POSTED.

PROSPECTIVE BIDDERS ARE NOTIFIED THAT THE FAILURE TO INCLUDE WITHIN THE SEALED BID ENVELOPE A PROPER BID BOND OR OTHER SECURITY APPROVED UNDER THE COUNTY'S PURCHASING POLICY, IF REQUIRED FOR THIS REQUEST, WILL RESULT IN REJECTION OF THE BID AND SHALL, AS WELL AS THE FAILURE TO FILE A WRITTEN NOTICE OF PROTEST AND TO FILE A WRITTEN PETITION INITIATING A FORMAL PROTEST PROCEEDING WITHIN THE TIMES AND IN THE MANNER PRESCRIBED IN CHAPTER 8, SECTION I OF THE COUNTY'S PURCHASING POLICY SHALL, CONSTITUTE A WAIVER OF THE RIGHT TO PROTEST THE BID REQUEST, ANY ADDENDUM THERETO, OR THE BID DECISION, AS APPLICABLE, AND TO INITIATE A FORMAL PROTEST PROCEEDING UNDER THE PURCHASING POLICY. THE COUNTY'S PURCHASING POLICY CAN BE VIEWED AT THE COUNTY'S WEBSITE BY FOLLOWING THE APPROPRIATE LINKS FROM THE HOMEPAGE ADDRESS SET FORTH ABOVE.

IF A PROSPECTIVE BIDDER IS IN DOUBT WHETHER THIS REQUEST REQUIRES A BID BOND, SUCH PROSPECTIVE BIDDER IS SOLELY RESPONSIBLE FOR MAKING APPROPRIATE INQUIRY.

THE BOARD RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS WITHOUT CAUSE AND TO WAIVE TECHNICAL AND NON-TECHNICAL OR NON-MATERIAL DEFECTS IN THE REQUEST OR SUBMITTAL OF ANY BIDS.

4. Utility Relocation Agreements. Prior to requesting Bids for right of way improvements and other public works projects that require the removal or relocation of utilities, Agreements with the affected utilities must be entered into providing for the terms, scheduling and conditions of such relocation and removal. The County Manager may develop and maintain such form of Agreement as may be appropriate for accomplishing the requirements.
5. Bid Addenda. All Addenda distributed subsequent to the initial distribution of the Request for Bids shall be distributed in the same manner as the initial distribution of the Request for Bids. It is the responsibility of the Bidder to verify if any Addendum(s) has been issued prior to submitting a Response to a Request for Bids. No Addendum shall be issued later than five (5) working days prior to the scheduled Bid Opening date.

A. No-Contact Rule.

1. During the Request for Bid Period, from publication of the notice of a Request for Bids to the making of a Bid Decision, and during any related Protest Period, Bidders are prohibited from contacting, by any means, whether orally, telephonically, electronically or in writing, any member of the Board, any County Employee, including the County Manager, the County Attorney, or the Commission Auditor, any member of the designated Evaluation Committee or any agent of the County regarding the Request for Bids in any respect, with the exception of (i) inquiries may be submitted to the Purchasing Department or other County Employees or agents if specifically provided in the Request for Bids (ii) pre-Bid conferences provided for in the request package; and (iii) formal presentations by Bidders to the designated Evaluation Committee or to the Board or any committee thereof specifically contemplated in the Request for Bids.
2. The purpose of the No-Contact Rule is to prevent any one Bidder from gaining an advantage over other Bidders through lobbying or otherwise attempting to influence the purchasing decision through discussions or the presentation of information or materials outside of the process contemplated in the Request for Bids package and this Purchasing Policy, and also to ensure that the dissemination of information from the County to Bidders regarding the Request for Bids is equal and uniform.
3. The violation of the No-Contact Rule shall result in the automatic disqualification of any Bid submitted by the violator in response to a Request for Bids. See Section J regarding violations and disqualifications related to the No-Contact Rule.

B. Bid Submittals.

All Bids shall be submitted as specified in the Request for Bids (and if applicable only on the forms provided by the County).

- 24) Sealed Bid Envelope. Each Bid and its accompanying materials shall be submitted in a single, sealed, and opaque envelope. The following items shall be prominently marked on the cover of the envelope by the Bidder:
 - a. The number assigned to the particular Request for Bids.

b. The title of the Bid exactly as it appeared in the Request for Bids.

c. The date of the Bid Opening.

25) Public Entity Crimes. Each Bid shall conform to the requirements of Section 287.133, Florida Statutes, regarding public entity crimes.

26) Contractor Certification. All Contractors must be certified or registered pursuant to Chapter 489, Florida Statutes, or hold a Clay County certification under Article III of Chapter 7 of the Clay County Code, as applicable, at the time of responding to a Request for Bids and must submit evidence of such at the time of submission of any Bid.

27) Bidder's Insurance Requirements. Any Bidder submitting a Bid must include, within its initial Bid submittal, proof of the following insurance, in effect continuously from the date of submittal through the sixty (60) days subsequent to the scheduled Bid Opening date:

a. Commercial General Liability

i. General Aggregate	\$1,000,000
ii. Products and Completed Operations Aggregate	\$1,000,000
iii. Personal and Advertising Injury	\$1,000,000
iv. Each Occurrence	\$1,000,000
v. Fire Damage (any one fire)	\$50,000
vi. Medical Expense (any one person)	\$5,000

b. Automobile Liability \$1,000,000

Combined single limits with bodily injury/property damage, with minimum limits for all additional coverages

c. Workers Compensation/Employers Liability

1. Workers Compensation	statutory limits
2. Employers Liability	
a. Each Accident	\$100,000
b. Disease-Policy	\$ 500,000
c. Disease-Each Employee	\$100,000
d. Professional Liability	\$1,000,000

When required by Contract -per occurrence

The County Manager may add to the insurance requirements or modify such by waiving, raising, or lowering the minimum coverages required for particular projects prior to a Request for Bids. Any additional or modified insurance requirements will be set forth in the Request for Bids as necessary for a particular project. The Board will not waive any defects in a Bid submittal pertaining to any insurance requirements herein.

Upon being awarded the Bid, the Bidder must provide proof that such insurance will be in effect from the date of commencement of the project. The Bidder must maintain insurance coverage at the above-prescribed levels through the date of completion of the project and

that coverage must include all independent Contractors and subcontractors. Either prior to or simultaneously with the execution of the Contract, the successful Bidder must deliver certificates of insurance for the required insurance coverages to the County naming “Clay County, a political subdivision of the State of Florida; and The Board of County Commissioners, Clay County, Florida, its Employees, agents, boards and commissions, as their interests may appear” as “Additional Insured.” The certificate of insurance shall also include a thirty (30) day prior written notice of cancellation, modification or non-renewal to be provided to the County.

- 28) Bid Bond.** Any Bid submitted requires a five (5) percent bond unless waived or reduced by the County Manager prior to the Request for Bids, which Bid Bond cannot be withdrawn for a period of thirty (30) days subsequent to the date of the Bid Opening, notice of which shall be incorporated in any Request for Bids. As used herein, the term Bid Bond shall include bonds or cashier or certified checks payable to the County.

The failure to include within the Sealed Bid Envelope a proper Bid Bond, whether a bond or other security approved herein, if required for the particular Request for Bids, shall result in automatic rejection of a Bid and constitute a waiver of the right to protest the Request for Bids, any Addendum thereto, or the Bid Decision, and to initiate a formal protest proceeding.

The Bid Bond, whether a bond or checks, shall be held by the Purchasing Department for safekeeping immediately upon receipt of the Bid (but not deposited). The Purchasing Department is hereby authorized to return each Bid Bond to the Bidder, as soon as practicable, upon written request, but only after a Bid and Contract have been awarded and executed between the County and the successful Bidder for a particular project, or in the event that all Bids have been rejected by the Board, or in the event the time provided that the Bid shall remain in effect shall have expired and the Bidder requests its return in writing.

The following are exempt from the Bid Bond requirement:

- a. SHIP. Bidders bidding on SHIP rehabilitation projects are exempt from the Bid Bond requirements delineated above or as may be otherwise stated elsewhere in this Purchasing Policy.
- b. Fixed Unit Price. Bidders bidding on Contracts with a fixed price, or any other type of Contract that does not commit the Board to an actual exchange transaction (purchase) but rather seeks only a Fixed Unit Price Commitment from a Bidder in the event a future purchase decision is made, shall be exempt from the Bid Bond requirements delineated above or as may be otherwise stated elsewhere in this Purchasing Policy.

A prospective Bidder is solely responsible for determining whether a particular Request for Bids requires a Bid Bond, and for resolving any doubt by making appropriate inquiry.

E. Receipt of Bid Submittals.

All Bids shall be submitted to the Purchasing Department, 4th Floor, Clay County Administration Building, 477 Houston Street, Green Cove Springs, Florida, which shall record receipt thereof by date and time on the Sealed Bid Envelope. The deadline for receipt of a particular Bid submittal shall be per the Request for Bids. All Bids must be physically received by the Purchasing Department prior to the deadline indicated in the Request for Bids. A Bid may not be submitted by facsimile transmission or by email. The use of an overnight delivery service, of the United States Postal Service or any other type of delivery service to submit a Bid shall be entirely at the risk of the Bidder submitting the same, and any Bid so received after the applicable deadline shall be deemed untimely. Upon receipt, the Purchasing Department will maintain custody and control of all Bid submittals until after they have been opened. The Purchasing Department shall serve as the permanent record holder of all Bid submittals for the County Manager.

F. Bid Opening.

No Bid shall be opened unless and until proof by publisher's affidavit of the Publication Notice of the Request for Bids is received by the Purchasing Department. All Bids properly submitted shall be opened in a public location so designated in the Request for Bids. Bidders and the public are welcome to attend and observe without opportunity to comment at the Bid Opening.

At the Bid Opening, the Purchasing Department shall first, prior to opening any Bids, reject any Bids which do not meet the requirements set forth in the Request for Bids for time of submittal and return such unopened. Next, the Purchasing Department shall open the remaining Bids and prepare a tabulated list of all Bidders and their Bids, including Bid number, Vendor name, amount of Bid, and verification of required documents. The Bid Tabulation Form used at Bid Openings shall include a place thereon for three witnesses to sign, to eliminate the need for signing each individual Bid at the time of opening. In all events, the County Manager or his or her designee shall cause to be spread upon the minutes of the regular meeting of the Board next following the opening of a particular Bid, a list of all Bidders and their Bids.

G. Review and Recommendation.

1. Review.

After the opening of a Bid, a copy of each Bid shall be distributed to the originating Department Head or his or her designee. The Department Head or his or her designee and the Purchasing Department will thereafter assign staff or an Evaluation Committee for review, when required. All staff or committee members assigned to evaluate Bids or responses, when applicable, shall do so observing all requirements of the Sunshine Law and in meetings noticed at least 72 hours in advance. Bidders and the public may attend and observe without opportunity to comment any Evaluation Committee meetings.

The exclusive right to compare, contrast and otherwise evaluate the qualifications, character, responsibility and financial qualifications of all persons, firms, partnerships, companies or corporations submitting Bids or Proposals in response to any purchase of Goods or Services is reserved by staff or an Evaluation Committee when determining what is in the Best Interest of the County.

Bid Awards for Request for Bids shall be awarded based on the lowest responsive bid. The term "Lowest Responsive Bid" shall mean the lowest Bid price submitted by a Responsive and Responsible Bidder. The term "Responsive Bidder" means a Bidder that has submitted a Bid, Proposal or reply that conforms in all material respects to the Request for Bids. The term "Responsible Bidder" means a Bidder who has the capability in all respects to fully perform the Contract requirements and the integrity and reliability that will assure good faith performance.

Awards for alternative competitive processes, such as a Request for Proposal (RFP), Request for Qualifications (RFQ), Invitation to Negotiate (ITN), Best Final Offer, or Design-Build, should be based on evaluation criteria specified in the request, in addition to price, to determine what is in the Best Interest of the County.

Any Bid that does not meet the requirements for time of submittal, inclusion of a Bid Bond, if required, or contains material defects will be rejected, declared a "No Bid" and the reasons for such so stated.

2. Recommendation.

After review, an award recommendation to include but not be limited to the Lowest Responsive Bid, or in a proper circumstance the best Bid or response, and Budget information is prepared for submittal to the Finance and Audit Committee. Under extenuating circumstances an award recommendation may be submitted directly to the Board with a written memorandum setting forth the facts, circumstances and reasons why such is being presented directly to the Board. The Purchasing Department may include the Contract or Agreement to be entered into with the successful Bidder for approval at the same time as the recommendation of the award, which approval will be subject to the 72 hour Bid Protest Period.

The Bids and award recommendation, along with any accompanying Contract or Agreement, shall thereafter be reviewed by the Finance and Audit Committee who in the absence of unusual circumstances, shall report its recommendation to the Board at the Board's next regularly scheduled meeting, which shall include the tabulated list of all Bidders and their Bids.

H. Bid Award.

The Board reserves the right and power to reject any and all Bids without cause and to waive technical and non-technical or non-material defects in the Request for Bids or submittal of any Bid, and in its discretion to re-advertise the Request for Bids. The Board reserves the right to award Bids, quotes, or Proposals which would be in the Best Interest of the County.

When only one Bid is received for the purchase of an item or a group of items, the Board shall review the Request for Bids and Bid in order to determine the reasons, if any, why only one Bid was received. The Board may accept the only Bid or it may direct that a second call for Bids be issued. If the only Bid is accepted then the reasons for accepting the single Bid as well as reasons for not rebidding, shall be included in the minutes of the Board.

Unless otherwise expressly directed by the Board in its Bid Decision, immediately following the Board's decision the County Manager shall cause a "Notice of Intent to Award Bid" or a "Notice of Rejection of All Bids" to be posted on the County's website, with the time and date of posting appearing thereon. No other posting of such notices are required. The notice shall be posted in portable document format or other secure format.

I. Bid Protest Procedures.

In accordance with the procedures contained herein, any person or entity that is adversely affected by a decision or intended decision concerning a document, award, or other process or procedure in this Chapter and who has standing to protest a decision or intended decision under Florida law, must timely file a Bid Protest seeking to challenge the decision or intended decision in strict adherence to the following procedures. These procedures shall be construed and implemented so as to secure the just, speedy, and inexpensive resolution of Bid Protests.

1. Notice of Bid Protest. Any person who is adversely affected by a Request for Bids, by any Addendum thereto, or by a Bid Decision may file with the County Manager a written notice of Bid Protest no later than 4:30 p.m. on the third Business Day immediately following the date notice is published, with respect to a Request for Bids; no later than 4:30 p.m. on the third Business Day immediately following the date of issuance, with respect to any Addendum; and within 72 hours after the posting of the notice, exclusive of hours occurring during days that are other than Business Days, with respect to a Bid Decision.
2. Protest Petition. A formal Bid Protest proceeding shall be deemed commenced upon the timely filing of a written petition initiating the same. A written petition initiating a formal Bid Protest proceeding must be filed with the County Manager no later than 4:30 p.m. on the tenth Calendar Day immediately following the date on which the written notice of protest was filed; provided, if the tenth Calendar Day is not a Business Day, then the petition must be filed no later than 4:30 p.m. on the first Business Day immediately following the tenth Calendar Day. The petition must set forth with particularity the facts and law upon which the protest is based. The petition must conform substantially with the requirements for petitions set forth in Fla. Admin. Code R. 28-106.201.
3. Filing of Notice of Protest and Petition. The filing with the County Manager of a written notice of protest or of a written petition initiating a formal Bid Protest proceeding shall be deemed accomplished only when the original written notice or original written petition has been physically received by the County Manager or his or her designee. A notice or petition shall be deemed original only if it bears the original signature of the protesting party or such party's authorized agent. No notice or petition may be filed by facsimile transmission or by e-mail, and any notice or petition received in such manner shall be deemed unfiled and ineffective. The use of an overnight delivery service, of the United States Postal Service, or any other type of delivery service to file a notice or petition shall be entirely at the risk of the person submitting the same, and any such notice or petition so received after the applicable deadline shall be deemed untimely.

4. Waiver. The failure by a prospective Bidder to file a 1) written notice of protest and 2) written petition initiating a formal protest proceeding within the times and in the manner prescribed in this section shall constitute a waiver of the prospective Bidder's right to protest the Request for Bids, any Addendum thereto, or the Board's Bid Decision, as applicable, and to initiate a formal protest proceeding hereunder.
5. Any Bid Protest of a Request for Bids or Bid Addendum shall pertain exclusively to the terms, conditions, and specifications contained in a Request for Bids or Bid Addendum, including any provisions governing the methods for ranking Bids, Proposals, or replies, awarding Contracts, reserving rights of further negotiation, or modifying or amending any Contract.
6. Suspension. Upon receipt of a formal written notice of Bid Protest that has been timely filed, the County Manager shall suspend the Request for Bids or Bid Award process, including entry into any accompanying Contract or Agreement, until the subject of the protest is resolved by final action as specified in this section, unless the County Manager sets forth in writing particular facts and circumstances which require the continuance of the Request for Bids or Bid Award process without delay in order to avoid an immediate and serious danger to the public health, safety, or welfare. Such suspension shall be lifted immediately in the event the protesting party shall have failed to timely file a petition.
7. Notice of Receipt of Petition and Suspension. Within three (3) Business Days of receipt of a written petition initiating a formal protest proceeding, the County Manager or his or her designee shall provide notice to any Bidders of the written petition and that the Request for Bids or Bid Award process has been suspended until the subject of the protest is resolved by final action as specified in this section. Upon receipt by the Bidder of the notice, the Protest Period commences.
8. Intervenors. Intervenors shall be permitted to participate in the formal protest proceeding in accordance with the procedures governing intervenor practice set forth in Chapter 28-106, Florida Administrative Code, and shall be subject to all limitations provided therein applicable to intervenors.
9. Resolution by Mutual Agreement. In his or her discretion, the County Manager may provide an opportunity to resolve the Bid Protest by a mutual Agreement between the County Manager and the protesting party within seven (7) Calendar Days after receipt of a timely written petition. Such Agreement must be reduced to writing, signed by the County Manager and the protesting party or such party's authorized agent, and submitted to the Board at the earliest opportunity. The Agreement shall not be deemed effective unless ratified by the Board. If the Board shall fail to ratify the Agreement, then the Bid Protest shall proceed to resolution as hereinafter provided.
10. Hearing. Within ten (10) Business Days following the timely filing of a written petition, or, if the Board shall have considered but failed to ratify an Agreement submitted to it under section 9 above, then within ten (10) Business Days thereafter, a hearing shall be conducted before a Hearing Officer, who shall be the County Manager or his or her designee. The County Manager may designate any Department Head as the Hearing Officer; provided, a

Department Head who is substantially involved in or connected with the Request for Bids or Bid Award process shall be deemed disqualified from serving as the Hearing Officer, unless such involvement or connection is purely ministerial in nature. All hearings shall be conducted pursuant to written notice to the protesting party, the County Attorney's Office and all intervenors by the Hearing Officer specifying the time, date and place of the hearing.

The rules and procedures governing each hearing are as follows:

- a. The audio thereof shall be recorded electronically.
- b. Prior to the hearing only, motion practice may be permitted by the Hearing Officer in his or her discretion in accordance with the rules governing the same set forth in Fla. Admin. Code R. 28-106.204. All motions shall be ruled upon prior to or at the start of the hearing, except that rulings on motions in limine may be deferred to an appropriate time during or after the hearing.
- c. Prior to the hearing, the protesting party, the County and all intervenors must confer and endeavor to stipulate to as many relevant and undisputed facts upon which the decision is to be based as may be practicable. Such stipulation must also identify those issues of material fact, if any, that remain in dispute. The stipulation must be reduced to a writing signed by or on behalf of the protesting party, the County and all intervenors, and be submitted to the Hearing Officer at least two (2) Business Days prior to the hearing. The stipulation may include an appendix comprising documents that shall be deemed admitted and considered as evidence for purposes of the hearing, or referring to tangible items deemed admitted and considered as evidence for purposes of the hearing, which items shall either be presented at the hearing or, if such presentation is impractical, submitted to the Hearing Officer by graphic, descriptive, representational, photographic, videotape or similar medium properly depicting or characterizing the items.
- d. The protesting party and all intervenors shall have the right to appear before the Hearing Officer at the hearing in proper person or through Counsel and, as to those issues of material fact, if any, that remain in dispute, as identified in the stipulation, to present relevant testimonial, documentary and tangible evidence, and to be heard on the substantive issues bearing on the protest. The County shall be deemed a party to the proceeding, and the County Attorney or any Assistant County Attorney may participate in the protest proceeding, appear before the Hearing Officer, present evidence and be heard on behalf of the County.
- e. All witnesses shall be placed under oath by the Hearing Officer prior to testifying, and shall be subject to cross-examination by any Hearing Participant.
- f. Hearsay evidence shall be admissible unless the Hearing Officer shall determine the same to be redundant, unreliable or prejudicial.
- g. At the hearing any Hearing Participant may offer appropriate argument and summation, and submit a written brief and a proposed order, but only after the conclusion of the evidentiary portion of the hearing, if any.

- h. Immediately following the hearing, the County Manager shall cause a written transcript of all testimonial evidence introduced at the hearing to be prepared expeditiously, and shall provide copies of the same to all of the Hearing Participants.

11. Order.

- a. Within seven (7) Business Days following the hearing, the Hearing Officer shall submit a recommended order to the County Manager and serve copies on all Hearing Participants; provided, if the County Manager is the Hearing Officer, then within seven (7) Business Days following the hearing, the County Manager shall issue a recommended order and serve copies on all Hearing Participants. The recommended order shall contain findings of fact and, based upon such facts, a disposition of the Bid Protest; provided, no finding of fact may be predicated solely upon the basis of hearsay.
 - b. The recommended order shall thereafter be submitted to the Board along with the transcript of the hearing testimony and the entire written and tangible record of the Bid Protest proceedings at the earliest opportunity to be considered at a time certain, with notice thereof served upon the Hearing Participants. Each of the Hearing Participants shall be allowed five (5) minutes to address the Board regarding the recommended order, unless the Chairman in his or her discretion shall allow additional time. No testimony or other evidence beyond the record and the transcript shall be presented to the Board.
 - c. Thereafter the Board shall render its decision on the Bid Protest. In so doing the Board shall be bound by the findings of fact in the recommended order that are based upon testimonial evidence, except those for which it upholds a challenge. A finding of fact challenge shall be upheld only if the finding of fact is not supported by competent, substantial evidence in the record or in the transcript. Otherwise, the Board shall not be bound by any of the provisions of the recommended order. The decision of the Board shall be reduced to a written order signed by the Chairman, and shall constitute final action of the County on the protest.
12. All proceedings before the Hearing Officer shall be informal, and customary rules of evidence shall be relaxed. In all respects both the Hearing Officer and the Board shall observe the requirements of procedural and substantive due process that are the minimum necessary for accomplishing a fair, just and expeditious resolution of the protest.
13. Ex parte communications between a Hearing Participant and the Hearing Officer are forbidden. The Hearing Officer may take such steps as he or she may deem just and appropriate to prevent or sanction attempted ex parte communications, including promptly disclosing the attempted communication, or requiring the offending Hearing Participant to disclose promptly the attempted communication, to the other Hearing Participants. Where necessary, the Hearing Officer may recuse himself or herself, and the subsequently designated Hearing Officer may order the offending participant to pay for all or any portion of the costs incurred by the County and any other Hearing Participant strictly as a consequence of the ex parte communication or attempted ex parte communication, else be excluded from further participation. Neither the County Attorney nor any Assistant County

Attorney shall be subject to this subsection or prohibited from engaging in ex parte communications with the Hearing Officer.

14. The purpose of this Purchasing Policy is to promote fairness and public confidence in the competitive bidding process. To further such end, and except as otherwise specifically provided herein, the substantive law governing the resolution of Bid Protests found in the decisions of the Florida appellate courts, as well as any statutes or agency rules that may be applicable to the particular Request for Bids, shall guide the Hearing Officer and the Board in rendering a decision on a Bid Protest under this section. The significant principles of law governing the Bid Protest and the resolution thereof, which shall prevail to the extent not otherwise in conflict with any governing statutes or agency rules, are as follows:
 - a. The burden is on the party filing the Protest Petition to establish a ground for invalidating the Request for Bids, any Addendum thereto, or Bid Decision that is being challenged
 - b. The standard of proof for the Bid Protest proceeding shall be whether the Request for Bids, any Addendum thereto, or the Bid Decision that is being challenged was clearly erroneous, contrary to competition, arbitrary, or capricious.
 - c. The Request for Bids, any Addendum thereto, or the Bid Decision being challenged shall be deemed arbitrary or capricious if it is contrary in a material way to any governing statutes, the County's rules or policies, or as to a Bid Decision, the Request for Bids.
 - d. The scope of the inquiry is limited initially to whether the Request for Bids, any Addendum thereto, or the Bid Decision being challenged is improper under the foregoing standard of proof. If and only if the Hearing Officer first determines on the basis of competent and substantial evidence that the Request for Bids, any Addendum thereto, or the Bid Decision being challenged is improper, then the Hearing Officer may recommend, in accordance with the law and this Purchasing Policy, an alternate disposition for the Bid Protest. Such disposition may include, but shall not be limited to, invalidating the Request for Bids or any Addendum thereto, rejecting all Bids, and/or awarding all or a portion of the Bid to the protesting party.
 - e. A Bid Protest proceeding may not serve as a vehicle for the Board to revisit a Bid Decision absent a determination of impropriety as set forth above.
15. By written Agreement amongst the protesting party, the County, and all then-existing intervenors, any provision of this section pertaining to the procedures for resolving a protest for which a petition has been timely filed may be modified or waived so long as such modification or waiver shall not hinder or thwart the proper and expeditious resolution of the protest, or otherwise operate to undermine the salutary purposes of competitive, public bidding.
16. Only to the extent necessary to avoid a miscarriage of justice or to prevent a manifest violation of a Hearing Participant's procedural or substantive due process rights, a Hearing Officer may modify or suspend the applicability of any of the provisions or requirements of this section in the course of conducting a Bid Protest proceeding hereunder; provided, a

hearing officer may not modify or suspend any of the provisions or requirements of sections D(5), I(1)-I (5), and I(14) hereof.

17. Except and to the extent specifically provided in this section, and except and to the extent otherwise specified provided by written Agreement amongst the protesting party, the County, and all then-existing intervenors, no provisions of Chapter 28-106, Florida Administrative Code, shall be deemed applicable to the resolution of protests under this section.

J. No-Contact Rule Violation, Disqualification and Challenge.

1. Violation and Disqualification. The violation of the No-Contact Rule shall result in the automatic disqualification of any Bid submitted by the violator in response to a Request for Bids. A violation of the No-Contact Rule shall be reviewed by the Purchasing Director and after consultation with the County Manager and the attorney in the County Attorney's Office assigned to represent and advocate for the County in hearings under this section, the Purchasing Director shall make a determination as to disqualification.
 - a. If a determination of disqualification is made by the Purchasing Director under this section, the violator shall be notified in writing with the factual basis of the determination set forth. A disqualification determination shall be delivered to the violator by hand delivery or overnight delivery to the violator's regular place of Business during the hours such place is open for Business or by email, if the violator has previously provided the County an email address for use in connection with the Request for Bids.
 - b. Upon a determination of disqualification under this section, any Bid submitted by the violator for the related Request for Bids shall not be eligible for consideration and shall be deemed withdrawn from further consideration.
2. Disqualification Challenge. In accordance with the procedures contained herein, the violator may challenge the disqualification determination. This section shall be construed and implemented so as to secure the just, speedy, and inexpensive resolution of disqualification challenges.
 - a. Notice of Disqualification Challenge. The violator may file with the County Manager a written notice of disqualification challenge no later than 4:30 p.m. on the third Business Day immediately following the date the disqualification determination is delivered. The failure by the violator to file a written notice of disqualification challenge within the time prescribed in this subsection shall constitute a waiver of the violator's right to challenge the disqualification determination.
 - b. Filing of Notice of Disqualification Challenge. A formal disqualification challenge proceeding shall be deemed commenced upon the timely filing of a written notice of disqualification challenge under this section. The filing with the County Manager of a written notice of disqualification challenge shall be deemed accomplished only when the original has been physically received by the County Manager or his or her designee. A notice of disqualification challenge shall be deemed original only if it bears the original signature of the challenging party or such party's authorized agent. No notice of

disqualification challenge may be filed by facsimile transmission or by e-mail, and any notice received in such manner shall be deemed unfiled and ineffective. The use of an overnight delivery service, of the United States Postal Service, or any other type of delivery service to file a notice of disqualification challenge shall be entirely at the risk of the person submitting the same, and any such notice so received after the applicable deadline shall be deemed untimely.

- c. Suspension. Upon receipt of a formal written notice of disqualification challenge that has been timely filed, the County Manager shall suspend the Request for Bids or Bid Award process, including entry into any accompanying Contract or Agreement, until the subject of the disqualification challenge is resolved by final action as specified in this section, unless the County Manager sets forth in writing particular facts and circumstances which require the continuance of the Request for Bids or Bid Award process without delay in order to avoid an immediate and serious danger to the public health, safety, or welfare.
- d. Notice of Receipt of Disqualification Challenge and Suspension. Within three (3) Business Days of receipt of a written notice of disqualification challenge, the County Manager or his or her designee shall provide notice to any Bidders of the written notice of disqualification challenge and that the Request for Bids or Bid Award process has been suspended until the subject of the disqualification challenge is resolved by final action as specified in this section.
- e. Intervenors. Intervenors shall be permitted to participate in the challenge proceeding in accordance with the procedures governing intervenor practice set forth in Chapter 28-106, Florida Administrative Code, and shall be subject to all limitations provided therein applicable to intervenors.
- f. Hearing. Within ten (10) Business Days following the timely filing of a written notice of disqualification challenge, a hearing shall be conducted before a Hearing Officer, who shall be any Department Head so designated by the County Manager; provided, a Department Head who is substantially involved in or connected with the Request for Bids or Bid Award process shall be deemed disqualified from serving as the Hearing Officer, unless such involvement or connection is purely ministerial in nature. All hearings on a disqualification challenge shall be conducted pursuant to written notice to the challenging party, the County Manager, the County Attorney's Office and all intervenors by the Hearing Officer specifying the time, date and place of the hearing.

Particular rules and procedures governing each such hearing are as follows:

- i. The audio shall be recorded electronically.
- ii. Prior to the hearing only, motion practice may be permitted by the Hearing Officer in his or her discretion in accordance with the rules governing the same set forth in Chapter 28-106, Florida Administrative Code. All motions shall be ruled upon prior to or at the start of the hearing, except that rulings on motions in limine may be deferred to an appropriate time during or after the hearing.

- iii. Prior to the hearing, the challenger, the County Manager and all intervenors must confer and endeavor to stipulate to as many relevant and undisputed facts upon which the decision is to be based as may be practicable. Such stipulation must also identify those issues of material fact, if any, that remain in dispute. The stipulation must be reduced to a writing signed by or on behalf of the challenger and the County Manager, and be submitted to the Hearing Officer at least two (2) Business Days prior to the hearing. The stipulation may include an appendix comprising documents that shall be deemed admitted and considered as evidence for purposes of the hearing, or referring to tangible items deemed admitted and considered as evidence for purposes of the hearing, which items shall either be presented at the hearing or, if such presentation is impractical, submitted to the Hearing Officer by graphic, descriptive, representational, photographic, videotape or similar medium properly depicting or characterizing the items.
 - iv. The challenger and all intervenors shall have the right to appear before the Hearing Officer at the hearing in proper person or through Counsel and, as to those issues of material fact, if any, that remain in dispute, as identified in the stipulation, to present relevant testimonial, documentary and tangible evidence, and to be heard on the substantive issues bearing on the disqualification challenge. The County Manager shall be deemed a party to the proceeding, and the County Attorney or any Assistant County Attorney may participate in the disqualification challenge proceeding, appear before the Hearing Officer, present evidence and be heard on behalf of the County Manager.
 - v. All witnesses shall be placed under oath by the Hearing Officer prior to testifying, and shall be subject to cross-examination by any Hearing Participant.
 - vi. Hearsay evidence shall be admissible unless the Hearing Officer shall determine the same to be redundant, unreliable or prejudicial.
 - vii. At the hearing any Hearing Participant may offer appropriate argument and summation, and submit a written brief and a proposed order, but only after the conclusion of the evidentiary portion of the hearing, if any.
 - viii. Immediately following the hearing, the County Manager shall cause a written transcript of all testimonial evidence introduced at the hearing to be prepared expeditiously, and shall provide copies of the same to all of the Hearing Participants.
- g. Order.
- i. Within seven (7) Business Days following the hearing, the Hearing Officer shall submit a recommended order to the County Manager and serve copies on all Hearing Participants. The recommended order shall contain findings of fact and, based upon such facts, a disposition of the disqualification challenge; provided, no finding of fact may be predicated solely upon the basis of hearsay.
 - ii. The recommended order shall thereafter be submitted to the Board along with the

transcript of the hearing testimony and the entire written and tangible record of the disqualification challenge proceeding at the earliest opportunity to be considered at a time certain, with notice thereof served upon the Hearing Participants. Each of the Hearing Participants shall be allowed five (5) minutes to address the Board regarding the recommended order, unless the Chairman in his or her discretion shall allow additional time. No testimony or other evidence beyond the record and the transcript shall be presented to the Board.

- iii. Thereafter, the Board shall render its decision on the disqualification challenge. In so doing the Board shall be bound by the findings of fact in the recommended order that are based upon testimonial evidence, except those for which it upholds a finding of fact challenge. A finding of fact challenge shall be upheld only if the finding of fact is not supported by competent, substantial evidence in the record or in the transcript. Otherwise, the Board shall not be bound by any of the provisions of the recommended order. The decision of the Board shall be reduced to a written order signed by the Chairman, and shall constitute final action of the County on the disqualification challenge. If the Board finds in favor of the disqualification challenger, the disqualification determination under section J (1) shall be deemed set aside.
- h. All proceedings before the Hearing Officer on a disqualification challenge shall be informal, and customary rules of evidence shall be relaxed. In all respects both the Hearing Officer and the Board shall observe the requirements of procedural and substantive due process that are the minimum necessary for accomplishing a fair, just and expeditious resolution of the disqualification challenge.
- i. Ex parte communications between a Hearing Participant and the Hearing Officer are forbidden. The Hearing Officer may take such steps as he or she may deem just and appropriate to prevent or sanction attempted ex parte communications, including promptly disclosing the attempted communication, or requiring the offending Hearing Participant to disclose promptly the attempted communication, to the other Hearing Participants. Where necessary, the Hearing Officer may recuse himself or herself, and the subsequently designated Hearing Officer may order the offending participant to pay for all or any portion of the costs incurred by the County and any other Hearing Participant strictly as a consequence of the ex parte communication or attempted ex parte communication, else be excluded from further participation. Neither the County Attorney nor any Assistant County Attorney shall be subject to this subsection or prohibited from engaging in ex parte communications with the Hearing Officer.
- j. The significant principles of law governing a disqualification challenge proceeding and the resolution thereof, which shall prevail to the extent not otherwise in conflict with any governing statutes or agency rules, are as follows:
 - i. The initial burden of proving a violation of the No-Contact Rule is on the County Manager.
 - ii. The standard of proof for the disqualification challenge proceeding shall be clear

and convincing evidence.

- iii. The scope of the inquiry is limited to whether the No-Contact Rule has been violated.
 - iv. A disqualification challenge proceeding may not serve as a vehicle for the Hearing Officer or the Board to evaluate any Bid submitted by the violator.
 - v. The No-Contact Rule shall be strictly construed against the violator, and the materiality of the prohibited communication shall be irrelevant to the determination.
- k. By written Agreement amongst the challenger, the County Manager, and all then-existing intervenors, any provision of this section pertaining to the procedures for resolving a disqualification challenge proceeding for which a written notice of disqualification challenge has been timely filed may be modified or waived so long as such modification or waiver shall not hinder or thwart the proper and expeditious resolution of the disqualification challenge, or otherwise operate to undermine the salutary purposes of competitive, public bidding.
- l. Only to the extent necessary to avoid a miscarriage of justice or to prevent a manifest violation of a Hearing Participant's procedural or substantive due process rights, a Hearing Officer may modify or suspend the applicability of any of the provisions or requirements of this section in the course of conducting a disqualification challenge proceeding hereunder; provided, a Hearing Officer may not modify or suspend any provisions or requirements of subsections, J(2)(a)-(b), and J(2)(j) hereof.
- m. Except and to the extent specifically provided in this section, and except and to the extent otherwise specified provided by written Agreement amongst the challenger, the County, and all then-existing intervenors, no provisions of Chapter 28-106, Florida Administrative Code, shall be deemed applicable to the resolution of disqualification challenges under this section.

If you do not have a number, see *How to get a TIN*, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
